- Leadership
- Effective Communication

LANGUAGE

- Dari (Native Language)
- English: Fluent

PROFILE

I am a Software Engineering student at NUST University, Pakistan, originally from Afghanistan on a fully awarded scholarship. I have strong problem-solving skills and a passion for technology and creativity. Experienced in C++, AutoCAD, and Filmora, with growing expertise in Python. I am motivated, team-oriented, and committed to continuous learning and excellence in both technical and creative fields.

WORK EXPERIENCE

● Jesuit Worldwide Learning Organization in Collaboration with New Horizon Human Welfare & Development Organization English Instructor 2021 - 2024

- Taught English to school-level students with a focus on grammar, speaking, and writing skills.
- Developed engaging lesson plans and improved student performance through interactive teaching methods.

● Multimedia Editing (Personal Projects) 2023 - 2024

- Edited videos using **Filmora** for educational and creative content.
- Designed visuals and social media graphics using **Canva**.
- Gained basic experience in **Adobe Photoshop** for image editing and layout design.
